3 Phage Mist

LEVEL Tier 1

2d4 +ACU per rd. Lobbable requires ToHIT.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
6 pts	10 Squares	Initiative		Battle Offense	Magical

STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
3	Row: 3 Sqs	5 Rounds	5 RDS	none	EOL

Details:

- If a ToHIT fails the mist dissipates before any damage is done.

- For the duration, all creatures on the surface of the AoE take damage.

- Does require a ToHIT vs AC:10 to target the squares,
  - the AoE is a row of 3 squares directly in line with the caster,
    as if the acid hit the ground and skidded 2 more squares.

- Does allow the caster to target squares in range that cannot be seen,
  - The caster can lob and/or arc this over creatures/obstacles 2 sqs high or less.
  - Targeting an out of view square typically is an AC of 17.

- Does deliver damage over time (D.O.T.) for up to 5 rounds,
  - The damage is 2d4 +ACU per target within the AoE,
  - The duration can be mitigated by copious amounts of water,
    - If cast underwater the duration is only 1 round,
    - If cast in a pool of water the duration is 2 rounds.
    - Spells that create water flowing > 1 rd will reduce duration by 2 rds.

- Does NOT poison targets.

- Does NOT leave a permanent physical mark.
  - normally any scarring/marks during battle are gone upon healing.

Details:

This spell is available to Soothsayer and Dokour.

- Conjures Fire Beetles by succeeding on the Save.
  - The Fire Beetles are not a thinking, living creature.
  - Battle stats: HP:30, AC:15, Move: 4 sqs,
    Init+6, ToHIT+6, # of Attacks:x2x2, Dmg:1d8.

  - Stats are for entire swarm and is treated as a single target.

NOTE:
- If the beetles have taken more than 5 points of dmg within the battle,
  - the shells of the dead beetles are left behind.
- The shells are an ingredient for the creation of cinderroot.
- Some TIRO spells create enough messy magic to leave behind dead beetles.
- This spell purposely creates the beetles that stay when dead,
  - When the spell ends all living beetles vanish.

- Does create a small swarm of Arcane Beetles.

- Does allow caster to direct Fire Beetles to an enemy within the Range,
  - Caster must be conscious to direct Fire Beetle attacks.

- Does continue if the Caster fall unconscious,
  - Fire Beetles will continue to attack the assign target,
    but will not move to acquire new targets.

- The recipient is able to fit in using the appropriate cultural nuances,
  - caster gains cultural knowledge from the spirits in the air.

- Also enables recipient to use a proper accent.

Example: If a merchant claps his hands together upon meeting the character…
After this spell the GM would inform the character the hand clapping
is this cultures way of saying "I'm busy, get to what you want!", even when smiling.

- Does affect the caster or a willing person.

- Does require the GM to update the character,
  - during/after each interaction which has demonstrated a cultural issue.

- Does allow the recipient to blend in as a member of the local culture
  by using proper cultural mannerisms, slang, accents etc.

- Does require the caster to maintain concentration,
  - i.e. the caster must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

- Does NOT allow the recipient to speak, read or write the local language.

- Does NOT change the recipient's appearance.

17 Reveal True Name

LEVEL Tier 5

By COPILOT

This uses all the clues to find the True Name.

COST	RANGE	ROLL OUT	COLLECTION	OUTCOME
80 pts	1 Square	12 Hours	Find or Reveal	Mundane

STACK	AoE	DURATION	SAVE COL	CLASS GROUPS
99	1 Square	Permanent	none	DOK-SYL-STM-EOL-ORX

Details:

- This uses all the clues the caster has gathered attempt to find the True Name.

- When a true name is used,
  - Any dice rolls (battle, skills, spells, etc) are rolled twice,
  - Each of the results are used, but only against the owner of the True name.
  - Using a true name while casting a Fire spell would likely do twice the damage,
  - And heal spells would do twice the healing.

- Does require the caster to maintain concentration,
  - i.e. the caster must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

- Does require the caster to state all the clues as they attempt to identify the target the best they can.
- Does then adjusts the points for how old the information is.
- Does finds the % to be rolled.
- Does the caster must roll under the % to pass.

- Does will alert the target regardless of the outcome of the roll,
  - The target will know the direct to go to find this castings location,
  - The target will know how many marks to go to find this castings location,
  - If this spell worked the target will know that,
  - If this spell fails the target NOT will know that.

- Does NOT inform the target of any other information.

- Does NOT announce out loud the True Name,
  - If the True Name roll passes only the caster will know it.
