- Details:**
- This spell is officially classified as a Scrying variation spell.
 - This is used to create a communication spot.
 - Another spot must have already been created by the Caster in order to communicate to it.
 - It is up to the Player to track the number of spots that have been created.
 - First casting sets up the Communication Spot and does not require a fire.
 - However a byproduct of this spell causes a small fire, akin to a campfire.
 - Note that the creation of a campfire could be an effective cover story to use.
 - Flames of fire used by Caster to communicate must be large enough to profile Caster's face.
 - As long as the fires continues on both ends the spell will continue until Duration ends.

- WHAT THIS DOES:**
- This does create a Communication Spot,
 - Another spot must have already been created by the Caster in order to communicate to it.
 - It is up to the Player to track the number of spots that have been created.
 - Does allow the passing through of a single object.
 - This object must be able to fully fit within the Caster's closed hand.
 - There must be someone on the other side to receive the item.
 - Does allow the recipient at the other fire to hear the Caster as if they are 1 square apart.
 - Anyone close enough to either fire might be able to overhear the conversation.

- WHAT THIS DOES NOT DO:**
- Does NOT cause any fire damage to the Caster.
 - Does NOT transport anything bigger than an item that can fit within the Caster's closed hand.
 - Does NOT allow the passing through of an item without someone on the other end to take it.

STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
99	1 Item	Instant		SKL 1 	DOK

Details:

- Ingites a flammable object with a 1d1 fire bolt,
 - Objects on Targets increase Save column by 1. (Target = objects/creatures that move),
 - 1d1 damage means flammables will ignite and catch fire,
 - certain conditions can hinder or even nullify ingition.
- For the sake of playability, if a Save is missed the issue is over with no damage,
 - No secondary targets are considered. (i.e. wall behind the target).

WHAT THIS DOES:

- Does ignite a small to medium sized non-moving object that is flammable.
- Does require a Save to ignite moving objects or object on moving creatures,
 - Pass = item ignites and does 1d1 damage. Start a larger fire in next round with Save.
 - Fail - spell has no effect, fire bolt either missed or fizzled out.
- Does have a possibility of creating a spreading fire,
 - GM must determine the potentail spread and roll Saves as needed.
- Does become Mundane once the fire bolt has been determined as a 'hit'.

WHAT THIS DOES NOT DO:

- Does NOT affect more than 1 item per casting.
- Does NOT immediately spread to other flammables with vicinity,
 - Near by flammables may need further Saves to determine if the fire spread.

Details:
Noteworthy info: Caster loses a bit of weight (Mass) in order to create this.

Emerges out of a flame. Imp is about 3 inches high (7.6 cm).
Imp has same skin color, hair color/style, and race (Miniaturized) as caster.
HP:12. SP:0 Attacks: x1x1, Init+0, ToHIT+0, Damage:1d2, Distance:1.

MOVE: Run= 3 Sqs. Flight= 7 Sqs (4 Sqs above land or lava).

Fairly intelligent. Can work to avoid being noticed and can plan and hide.

- WHAT THIS DOES:**
- Does create a creature that closely resembles the caster,
 - except is only 6 inches high (15 cm).
 - Does make a temporary but noticeable magical flame during the creation.
 - Does allow caster to have instant communication with the imp through the Cae'Em.

- WHAT THIS DOES NOT DO:**
- Does NOT give the imp all of the abilities of the caster.
 - Does NOT make a mundane flame during creation,
 - the creation flame will not burn items in or around it.

STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	3 Civilized ctrs	2 Rounds		none	DOK

- Details:**
- It is suggested that this spell NOT be cast from heavily populated areas.
 - Due to the likelihood they will end up in a populated area in the targeted plane.
 - Sends the caster to/from a location that corresponds with the other plane.
 - Each PMP has it's own corresponding Dimension,
 - Thus each portal to/from will align with the same spot in both.
 - Travel within Dimension passed quickly,
 - 1 hour of travel in Dimension is equal to 4 hours of travel in a normal PMP.

- WHAT THIS DOES:**
- Does open to the same corresponding place on the other plane.
 - Does stays open even if the caster is asleep, outcold, or even dead.
 - Does cause magical damage while passing through or staying in the portal. Each round,
 - Each round while standing (not moving) in the port causes 4d8 damage,
 - Each round (or less) when traveling from PMP to Dimension causes 2d4 damage,
 - Each round (or less) when traveling from Dimension to PMP causes 2d6 damage.
 - Does require the caster to pass through the portal before others do so.
 - Closes after 2nd person enters or duration ends.
 - A 3rd person will take full damage to try (but fail).

Details:

- Attempts to conjure Fire Beetles by succeeding on the Save.
- The Fire Beetles are not a thinking, living creature,

NOTE:

- If the beetles have done more than 5 points of damage within the battle,
 - the shells of the dead beetles are left behind.
- The shells are an ingredient for the creation of cinderroot.
- Some TIRO spells create enough messy magic to leave behind dead beetles.
- This spell purposely creates the beetles that stay when dead,
 - When the spell ends all living beetles vanish.

WHAT THIS DOES:

- Does create a small swarm of Arcane Beetles:
 - Battle stats: HP:30, AC:15, Init+6, ToHIT+6 # of Attacks:x2x2, Dmg: 1d8,
 - Stats are for entire swarm and is treated as a single target.
- Does allow the Caster to direct the Fire Beetles to an enemy within the Range,
- Does continues through Duration even if caster is not aware.
- Does conintue if the Caster fall unconscious,
 - The Fire Beetles will continue to attack the Target the Caster designated and no others,
 - Caster must be conscious to direct the Fire Beetles to another Target.
- Does conjure the Fire Beetles to appear on the floor at the targeted area.
- Does require continued direction and attention from character on rounds 2 and 3.

WHAT THIS DOES NOT DO:

- Does NOT allow the Fire Beetles to cross a Circle of Protection.
- Does not have any effect if the Save fails.
- Does NOT work if the caster is not able to continue,
 - If caster is unconscious, dead, or out of range, etc.
- Does NOT continue if the caster chooses to end the spell.

- Details:**
- A wise Dokour would use this from dusk to dawn,
 - the spell will have little effect in daylight.
 - Much like a soap bubble is a physical thing, this is as well.
 - Even the most minor single attack (1 HP) will break the bubble.

- WHAT THIS DOES:**
- Does surround the Caster in a bubble that deters magical detection and muffles sound.
 - This works absolutely best in dim light and lower.
 - Does require a Save in order to see into the bubble in dim light environments.
 - Does work if the caster breaks across chest.
 - Does block specific Dokour spells when the spell is cast (NOT when the breakable is used):
 - Speak To Dokour Target,
 - Direction To A Dokour Target.

 - but no permanent or altering damage is done.
 - If done in a battle this spell may distract the target audience.
 - Roll a Save (situation may require the GM to change this)

- WHAT THIS DOES:**
- Does shroud the caster in the appearance of smoldering fire.
 - Does have a tendency to provide heat around the caster.
 - This can be helpful in colder climates when others stay very close to the caster.
 - Does allow the target audience a Save due to the wreathe of flames...
 - Failing the save likely means the audience is intimidated.
 - Does require user to break the item against chest to gain benefit, if an item.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
12 pts	Touch	1 Hour		Travel-Planes	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	Portal Structure	2 Minutes		RM 2 	DOK

Created by COPILOT

Details:

- It is suggested that this spell NOT be cast from heavily populated areas.
 - Due to the likelihood they will end up in a populated area in the targeted plane.
- Sends the caster to/from a location that corresponds with the other plane.
- Each PMP has it's own corresponding Dimension,
 - Thus each portal to/from will align with the same spot in both.
- Travel within Dimension passed quickly,
 - 1 hour of travel in Dimension is equal to 4 hours of travel in a normal PMP.

WHAT THIS DOES:

- Does open to the same corresponding place on the other plane.
- Does stays open even if the caster is asleep, outcold, or even dead.
- Does cause magical damage while passing through or staying in the portal. Each round,
 - Each round while standing (not moving) in the port causes 4d8 damage,
 - Each round (or less) when traveling from PMP to Dimension causes 2d4 damage,
 - Each round (or less) when traveling from Dimension to PMP causes 2d6 damage.
- Does require the caster to pass through the portal before others do so.

WHAT THIS DOES NOT DO:

- Does NOT cause mundane damage. Thus does not light things afire.

10 Magical Fire Protection

LEVEL Tier 3

Created by COPILOT

Mundane fire damage to 1 HP per round. Forge = 1d4 dmg.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
12 pts	Self	2 Minutes		Battle-Defense	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	Self	20 Minutes		none	DOK

- Details:**
- Grants total immunity to mundane fires that are cooler than a forge.
 - Fire levels of forge or higher break this spell.
 - Due to the flame-like appearance of this spell, caster can be seen as intimidating.

- WHAT THIS DOES:**
- Does limit mundane fire damage to 1 HP per round,
 - if the fire is as hot as or hotter than a forge then the damage is 1d4 per round.
 - Does surround the caster with enough light that those near the caster can read just read by.
 - This effect lasts for the Duration of the spell.

- WHAT THIS DOES NOT DO:**
- Does NOT work if the fire is magical.
 - Does NOT work if the caster is not able to continue,
 - If caster is unconscious, dead, or out of range, etc.
 - Does NOT continue if the caster chooses to end the spell.

- Details:**
- Creates a connection between the caster and the Arcane Focus Item.

- WHAT THIS DOES:**
- Does require the item to be of the highest quality.
 - Minimum GP value of 10,000.
 - Does work only if the caster is not currently connected to another Arcane Focus Item.
 - Does create the casters connection to the item provided the Save is passed.
 - Does allow a caster with a current Focus Item to cast this as a counter to another casting.

- WHAT THIS DOES NOT DO:**
- Does NOT have any effect if the Save fails (at end of Rollout).
 - Does NOT continue or have any effect if blocked by a 'Tiro Mess' spell.

14 Magma Perimeter

LEVEL Tier 4

Created by COPILOT

Magical magma dmg 8d6. Double dmg if submerged.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
16 pts	Caster	30 Minutes		Battle-Prep	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	2 Sq Wide Moat	6 Hours		none	DOK

- Details:**
- If a Target fails their save they will take 8d6 damage per round instead of 4d6.
 - This is because they have fully landed within the square with magma.
 - The same Save needs to be rolled successfully to escape the magma unassisted.
 - Assistance gives 2 Save columns better, but the assistant must also roll versus damage.
 - There is a slight sulfurous smell associated with this spell.

- WHAT THIS DOES:**
- Does create a moat of magma 2 square wide by 2 squares deep.
 - This surrounds an area the size of AoE in center.
 - Does cause 8d6 damage upon regular contact.
 - Does create a temporary pit within the environment that is filled with the magma.

- WHAT THIS DOES NOT DO:**
- Does NOT allow for any of the magma to be removed from the moat.
 - Any magma removed this way dissipates with no effect and no volume lost in the moat.
 - Does NOT leave behind any permanent damage from the magma in the environment.
 - Does NOT start any fires in the environment due to the presence of magma.
 - However this spell does still emit heat enough to warm a group in cold environments.
 - Is uncomfortable in warm environs but no real damage to a group or items.
 - The exception to this is if the item(s)/person(s) come in direct contact with the magma.
 - Does NOT spread beyond the initial AoE, even if more space is dug around the moat.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
60 pts	Touch	6 Hours		Other-Enhancement	Mundane
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
99	1 Target	Permanent		RM 3 	DOK

- Details:**
- This is one of a set of spells that cuts a living person off from the Arcane source.
 - Process: (Can be repeated as often as desired)
 - 3 Casters are required: ORIX, DOKOUR, and STRUMOS,
 - Orix identifies the Arcane connection (6 hours)
 - Dokour then disconnects the Arcane connection (6 Hours)
 - Strumos then heals the target to ensure no Arcane connections can be again (6 Hours)
 - Target rolls a Save, if they fail then the process worked.
 - There is no known way to recover from this spell.
 - Result:
 - Target cannot acquire/use Spell/Skill pts again,
 - Target's disconnection from Arcane sets their RM Saves to RM:>05.

- WHAT THIS DOES:**
- Does disconnect the target from all Arcane.
 - Does cause a great deal of pain to the target.
 - Nae'Em with target ends when the 3rd Arcane Removal spell ends.

- WHAT THIS DOES NOT DO:**

20 pts	6 Squares	10 Minutes		Communication-	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	1 Spirit	Rollout		SKL 2 	STM-DOK

Details:

- Caster performs a summoning ritual using a summoning circle, then summons souls and spirits to speak to them.
- Communication is also voluntary on the soul/spirit's part,
 - the summoning itself is not voluntary.

WHAT THIS DOES:

- Does require a 10-minute summoning ritual to be performed by the caster.
- Does require the caster to have a personal item of each of the deceased.
- Does require the caster to pass a SKL:2 save to summon the spirit. (Fail: no summon)
- Does require the souls/spirits to rise and meet with the caster, but not to communicate,
 - souls/spirits that have been dead for over 100 years will not be available for this.
 - souls/spirits that have been disconnected from the planes of the living are not available.
- Does allow for 10 questions and answers. One set per minute.
 - Unanswered questions do not count.
 - Time may run out before the caster gets 10 answers.
- Does allow the caster to ask a single question and wait for any to answer,
 - Multiple answers to 1 question is not counted as multiple questions.
 - Repeating the same question is another question.

WHAT THIS DOES NOT DO:

- Does NOT allow the summoning of deceased persons that's been dead for a 100+ years.
- Does NOT allow the caster to continue the ritual once it's been interrupted.
 - They must end the spell and start over by casting this again..
