  - i.e. other activities requiring concentration cannot be done,
  - Spell will not continue when/if casters concentration is broken.

#### WHAT THIS SKILL DOES DO:

- Causes 1d6+ACU damage to a target per round,
  - After 3 rounds removes all mundane (non-magical) Diseases and sicknesses.
  - If Healed by another caster within Duration a Health Save is rolled.
    - If Save fails the healing still works, but another rounds worth of damage is done.
  - Once the final round is done then reset the Fragility to none.
- This spell aggressively seeks out Disease/Sickness and harms even a healthy person.
  - Each round a non-Diseased/Sick person takes 1d4 per round.
  - If another caster heals the target mid-duration damage there is not extra Save rolled.
- Also delivers damage to undead and living dead,
  - Many creatures that were once mortal and forcibly turned from that are diseased, Werewolves, Undead, Living Dead are the most prominent of these.
  - Once touched the creature takes 1d6+ACU+4 damage for the duration,
    - This is NOT strong enough to remove those diseases.
- Touch Attack uses a ToHIT vs Prone. Thus, Armor and coverings are not a concern.
- Beneficial adjustments can be found in Enhancements and with a Focus Staff.

By COPILOT

Details:

GENERAL:

- It is suggested that this spell NOT be cast from heavily populated areas.
  - because it is likely they will end up in a populated area in the targeted plane.
- Requires the Caster to maintain concentration,
  - i.e. the Caster must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

NOTE: Travel within Dimension passed quickly,  
- 1 hour of travel in Dimension is equal to 4 hours of travel in a normal PMP.

WHAT THIS SKILL DOES DO:

- Sends the caster to/from a location that corresponds with the other plane.
  - Each PMP has it's own corresponding Dimension,
  - Thus each portal to/from will align with the same spot in both.
- Causes magical damage while passing through or staying in the portal,
  - Each round while standing (not moving) in the port causes 4d8 damage,
  - Each round (or less) when traveling from PMP to Dimension causes 2d4 damage,
  - Each round (or less) when traveling from Dimension to PMP causes 2d6 damage.
- Requires the caster to pass through the portal before others do so.
- Beneficial adjustments can be found in Enhancements and with a Focus Staff.

WHAT THIS SKILL DOES NOT DO:

- Does NOT cause mundane damage. Thus does not light things afire.

STACK	AoE	DURATION		SAVE	CLASS GROUPS

By COPILOT

## Details:

### GENERAL:

- Initially creates a visible 3 Square perimeter,
  - After Rollout the perimeter disappears from view.
  - The perimeter must be placed on even ground,
    - If the perimeter is majorly broken (deep trench/pit 1/2 sq or more) it fails.

### NOTE: Suggested usage

- Cast prior to casting a Dimension Summoning spell.
- Cast around a Rogues Trap.
- This affects Dimensional monsters,
  - Monsters are any creatures in the game that are NOT in real life,
  - Dimensional monster would be a type of monster that is ONLY found in Dimension.

### WHAT THIS SKILL DOES DO:

- Does allow any creatures to enter the containment (AoE)
- Requires a Save for Dimensional monster to leave,
  - Non-Dimension creatures may enter and exit at will.
  - On a successful save, the creature may leave,
  - On a failed save, the creature remains contained.
- This containment works on Dimension monsters that are walking, running, and flying,
  - This will force flying monsters down to the ground if they are up 6 squares or less.
  - Specifically works against a Dokours Imp.

### WHAT THIS SKILL DOES NOT DO:

- Does NOT inhibit the caster from leaving the circle
  - even if the caster is a Dimensional creature.

### Bonds and Connections

- No Nae'Em connection.

Details:

GENERAL:

- Protects the caster vs magical fires that are cooler than a forge.
  - Fire levels of forge or higher break this spell.
- Due to the flame-like appearance of this spell, caster can be seen as intimidating.

WHAT THIS SKILL DOES DO:

- Limits magical fire damage to 1 HP per round,

WHAT THIS SKILL DOES NOT DO:

- Does NOT work if the fire is mundane,
  - Normal mundane fires will continue to damage a person 2d6 per round.
- Does NOT work if the caster is not able to continue,
  - If caster is unconscious, dead, or out of range, etc.

WHAT THIS SKILL CAN CREATE:
