WHAT THIS DOES:

- Does require both the caster and the GM to roll Saves.
 - Casters Save Column set to 2.
 - Requires the GM to determine the Save Column based on the nature of magic of the item.
 - Affects any spells that have a Duration that is NOT permanent.

Comparison process:

- Caster rolls a Save and determines how close they are to passing,
 - Caster might be xx amount OVER the needed Save or XX under the needed Save.
- GM must FIRST determine the Save Column based on the item.
 - GM then rolls a Save and determines how close they are to passing,
 - GM might be xx amount OVER the needed Save or XX under the needed Save.
- Casters and GM results are compared,
 - If the casters result is higher then item's magic has been dispelled,
 - If the GMs result is higher OR equal the magic stays as is.

WHAT THIS DOES NOT DO:

- Does NOT ensure the caster is safe from side effects or curses.

1	3 Sq Radius	4 Hours		SKL 2	STM

Details:

- Creates a 3 Sq Radius circle surrounded by ornate chalk designs.
 - Once spell starts, outline fades to be unseen.
 - Once spell starts, any Astral creature / item will immediately be teleported back,
 - either to an Astral spot known to the caster
 - or to a random location in the Astral plane
- Each teleport back to the Astral plane is with a caster's Save.
- Regardless of the distance between the caster and the circle
 - the caster is always aware of the circle enacting (even if the Save fails).
- Spell continues to power the potential teleports until the duration ends.

WHAT THIS DOES:

- Does banish Astral creatures and items to their plane.
- Does allow the caster to move out of casting range after circle has been created.

WHAT THIS DOES NOT DO:

- Does NOT banish Astral creatures/items if the Save by the caster fails.
- Does NOT compell Astral creatures to stay within the circle (tip: use Circle of Containment!)
