99	1 Item	Continuous		SKL 1 	DOK

- Details:**
- Ingites a flammable object with a 1d1 fire bolt,
    - Objects on Targets increase Save column by 1. (Target = objects/creatures that move),
    - 1d1 damage means flammables will ignite and catch fire,
      - certain conditions can hinder or even nullify ingition.
  - For the sake of playability, if a Save is missed the issue is over with no damage,
    - No secondary targets are considered. (i.e. wall behind the target).

- WHAT THIS DOES:**
- Does ignite a small to medium sized non-moving object that is flammable.
  - Does require a Save to ignite moving objects or object on moving creatures,
    - Pass = item ignites and does 1d1 damage. Start a larger fire in next round with Save.
    - Fail - spell has no effect, fire bolt either missed or fizzled out.
  - Does have a possibility of creating a spreading fire,
    - GM must determine the potentail spread and roll Saves as needed.
  - Does become Mundane once the fire bolt has been determined as a 'hit'.

- WHAT THIS DOES NOT DO:**
- Does NOT affect more than 1 item per casting.
  - Does NOT immediately spread to other flammables with vicinity,

**Details:**

- This Scrying spell is used to create a communication spot.
  - Another spot must have already been created by the Caster in order to communicate to it.
  - It is up to the Player to track the number of spots that have been created.
- First casting sets up the Communication Spot and does not require a fire.
  - However a byproduct of this spell causes a small fire, akin to a campfire.
  - Note that the creation of a campfire could be an effective cover story to use.
- Flames of fire used by Caster to communicate must be large enough to profile Caster's face.
- As long as the fires continues on both ends the spell will continue until Duration ends.

**WHAT THIS DOES:**

- This does create a Communication Spot,
  - Another spot must have already been created by the Caster in order to communicate to it.
  - It is up to the Player to track the number of spots that have been created.
- Does allow the passing through of a single object.
  - This object must be able to fully fit within the Caster's closed hand.
  - There must be someone on the other side to receive the item.
- Does allow the recipient at the other fire to hear the Caster as if they are 1 square apart.
  - Anyone close enough to either fire might be able to overhear the conversation.

**WHAT THIS DOES NOT DO:**

# 4 Veil of Shadows

LEVEL Tier 1

Created by COPILOT

Shadow muffles sound & hides those within. Night:SNS:4. Day:SNS:1.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
4 pts	Caster	6 Minutes		Planar	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	4x4 Squares	12 Hours		SNS 1-4	DOK

- Details:**
- A wise Dokour would use this from dusk to dawn,
    - the spell will have little effect in daylight.

- WHAT THIS DOES:**
- Does surround the Caster in a bubble that deters magical detection and muffles sound.
    - This works absolutely best in dim light and lower.
  - Does require a Save in order to see into the bubble in dim light environments.
  - Does block specific Dokour spells when the spell is cast (NOT when the breakable is used):
    - Speak To Dokour Target,
    - Direction To A Dokour Target.

- WHAT THIS DOES NOT DO:**
- Does NOT function well, if at all, in any well lit environments.
  - Does NOT have much effect during the day:
    - Passing the Save still allows others to see there is a dark cloud,
    - Failing the Save allows those outside the cloud to see enough into the cloud.

Details:

- Grants total immunity to mundane fires that are cooler than a forge.
  - Fire levels of forge or higher break this spell.
- Due to the flame-like appearance of this spell, caster can be seen as intimidating.

WHAT THIS DOES:

- Does negate any damage done by fire that is mundane in nature.
- Does surround the target with enough light that those near the caster can read just read by.
  - This effect lasts for the Duration of the spell.

WHAT THIS DOES NOT DO:

- Does NOT have any effect if used in fires as hot as a forge or hotter.
- Does NOT work if the caster is not able to continue,
  - If caster is unconscious, dead, or out of range, etc.
- Does NOT continue if the caster chooses to end the spell.

- Details:**
- It is suggested that this spell NOT be cast from heavily populated areas.
    - Due to the likelihood they will end up in a populated area in the targeted plane.
  - Sends the caster to/from a location that corresponds with the other plane.
  - Each PMP has it's own corresponding Dimension,
    - Thus each portal to/from will align with the same spot in both.
  - Travel within Dimension passed quickly,
    - 1 hour of travel in Dimension is equal to 4 hours of travel in a normal PMP.

- WHAT THIS DOES:**
- Does open to the same corresponding place on the other plane.
  - Does stays open even if the caster is asleep, outcold, or even dead.
  - Does cause magical damage while passing through or staying in the portal. Each round,
    - Each round while standing (not moving) in the port causes 4d8 damage,
    - Each round (or less) when traveling from PMP to Dimension causes 2d4 damage,
    - Each round (or less) when traveling from Dimension to PMP causes 2d4 damage.
  - Does require the caster to pass through the portal before others do so.
    - Closes after 2nd person enters or duration ends.

- Stats are for entire swarm and is treated as a single target.

**NOTE:**

- If the beetles have done more than 5 points of damage within the battle, the shells of the dead beetles are left behind.
- The shells are an ingredient for the creation of cinderroot.
- Some TIRO spells create enough messy magic to leave behind dead beetles.
- This spell purposely creates the beetles that stay when dead, When the spell ends all living beetles vanish.

**WHAT THIS DOES:**

- Does create a small swarm of Arcane Beetles.
- Does allow the Caster to direct the Fire Beetles to an enemy within the Range.
- Does continues through Duration even if caster is not aware.
- Does conintue if the Caster fall unconscious,
  - The Fire Beetles will continue to attack the Target the Caster designated and no others,
  - Caster must be conscious to direct the Fire Beetles to another Target.
- Does conjure the Fire Beetles to appear on the floor at the targeted area.
- Does require continued direction and attention from character on rounds 2 and 3.

**WHAT THIS DOES NOT DO:**

- Does NOT allow the Fire Beetles to cross a Circle of Protection.
- Does not have any effect if the Save fails.
- Does NOT work if the caster is not able to continue,

9 - Dimensional Containment

10-Charged Fencing - Two Sides

10-Project Astral Image Within PMP

12-Circle of Expulsion of Ethereal Crtrs.

22-Living Statue

WHAT THIS DOES:

- Does require both the caster and the GM to roll Saves.
- Casters Save Column set to 3.
- GM to determine the Save Column based on the nature of magic of the item.
- Affects any spells that have a Duration that is NOT permanent.

Comparison process:

- Caster rolls a Save and determines how close they are to passing,
  - Caster might be xx amount OVER the needed Save or XX under the needed Save.
- GM must FIRST determine the Save Column based on the item.
  - GM then rolls a Save and determines how close they are to passing,
  - GM might be xx amount OVER the needed Save or XX under the needed Save.
- Casters and GM results are compared,
  - If the casters result is higher then item's magic has been dispelled,
  - If the GMs result is higher OR equal the magic stays as is.

WHAT THIS DOES NOT DO:

- Does NOT ensure the caster is safe from side effects or curses.
- Does NOT affect any magic/spells that are non-permanent.

# 9 Dimension Portal

LEVEL Tier 3

2d4 INTO or 2d6 OUT OF. Dmg to use, Save for 1/2.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
12 pts	Touch	1 Hour		Planar	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	Portal Structure	2 Minutes		RM 2 	DOK

Created by COPILOT

- Details:**
- It is suggested that this spell NOT be cast from heavily populated areas.
    - Due to the likelihood they will end up in a populated area in the targeted plane.
  - Sends the caster to/from a location that corresponds with the other plane.
  - Each PMP has it's own corresponding Dimension,
    - Thus each portal to/from will align with the same spot in both.
  - Travel within Dimension passed quickly,
    - 1 hour of travel in Dimension is equal to 4 hours of travel in a normal PMP.

- WHAT THIS DOES:**
- Does open to the same corresponding place on the other plane.
  - Does stays open even if the caster is asleep, outcold, or even dead.
  - Does cause magical damage while passing through or staying in the portal. Each round,
    - Each round while standing (not moving) in the port causes 4d8 damage,
    - Each round (or less) when traveling from PMP to Dimension causes 2d4 damage,
    - Each round (or less) when traveling from Dimension to PMP causes 2d6 damage.
  - Does require the caster to pass through the portal before others do so.

- WHAT THIS DOES NOT DO:**
- Does NOT cause mundane damage. Thus does not light things afire.

# 10 Magical Fire Protection

LEVEL Tier 3

Created by COPILOT

Magical fire damage to 1 HP per round. Forge = 1d4 dmg.

COST	RANGE	ROLL OUT	2 RDS	COLLECTION	OUTCOME
12 pts	Self	2 Rounds		Battle Actions/Prep	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	Self	2 Hours		none	DOK

- Details:**
- Grants total immunity to magical fires that are cooler than a forge.
    - Fire levels of forge or higher break this spell.
  - Due to the flame-like appearance of this spell, caster can be seen as intimidating.

- WHAT THIS DOES:**
- Does limit magical fire damage to 1 HP per round,
    - if the fire is as hot as or hotter than a forge then the damage is 1d4 per round.
  - Does surround the caster with enough light that those near the caster can read just read by.
    - This effect lasts for the Duration of the spell.

- WHAT THIS DOES NOT DO:**
- Does NOT work if the fire is mundane.
  - Does NOT work if the caster is not able to continue,
    - If caster is unconscious, dead, or out of range, etc.
  - Does NOT continue if the caster chooses to end the spell.

# 14 Magma Perimeter

LEVEL Tier 4

Created by COPILOT

Magical magma dmg 8d6. Double dmg if submerged.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
16 pts	Caster	30 Minutes		Fences and Shelters	Magical
STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	4x4 Sq Island	6 Hours		none	DOK

- Details:**
- If a Target fails their save they will take 8d6 damage per round instead of 4d6.
    - This is because they have fully landed within the square with magma.
    - The same Save needs to be rolled successfully to escape the magma unassisted.
    - Assistance gives 2 Save columns better, but the assistant must also roll versus damage.
  - There is a slight sulferous smell associated with this spell.

- WHAT THIS DOES:**
- Does create a moat of magma 2 square wide by 2 squares deep.
    - This surrounds an area the size of AoE in center.
  - Does cause 8d6 damage upon regular contact.
  - Does create a temporary pit within the environment that is filled with the magma.

- WHAT THIS DOES NOT DO:**
- Does NOT allow for any of the magma to be removed from the moat.
    - Any magma removed this way dissipates with no effect and no volume lost in the moat.
  - Does NOT start any fires in the environment due to the presence of magma.
    - However this spell does still emit heat enough to warm a group in cold environments.
    - Is uncomfortable in warm environs but no real damage to a group or items.
    - The exception to this is if the item(s)/person(s) come in direct contact with the magma.
  - Does NOT spread beyond the initial AoE, even if more space is dug around the moat.

**Bonds and Connections**

STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
1	2x2 Sq Area	Permanent		none	DOK-SYL-STM-EOL-ORX

**Details:**

- Caster creates a Nae'Em of a location to be used for teleportation travel.

**WHAT THIS DOES:**

- Does allow the caster to create a Nae'Em that specifically identifies a location,
  - This type of Nae'Em is often called a Vae'Em.
  - This is a non-sentient Nae'Em for venues.

**WHAT THIS DOES NOT DO:**

- Does NOT continue if the location/Venue has major physical changes done.
- Does not work with any non-location Nae'Em spells.

Created by COPILOT

- Details:**
- AoE: 2 squares in a line leading away from caster within range,
    - The first of the 3 squares must be within range.

- WHAT THIS DOES:**
- Does deal Damage = 5d10 + ACU bonus,
    - one set of damage is rolled and applied fully to each of the squares in the AoE,
    - Therefore, if a single creature is in both squares it may take 2x damage.
  - Does require the Target(s) to roll a Save for each square,
    - Even though damage is rolled once, the Save is rolled for each square,
    - Success means that the Target takes half damage.
    - Failure means that the Target takes full damage.

- WHAT THIS DOES NOT DO:**
- Does NOT allow for anything to catch on fire.
  - Does NOT creatures that live in and around fire.

  - Identify the target the best they can.
- Does then adjusts the points for how old the information is.
- Does finds the % to be rolled.
- Does the caster must roll under the % to pass.
- Does will alert the target regardless of the outcome of the roll,
  - The target will know the direct to go to find this castings location,
  - The target will know how many marks to go to find this castings location,
  - If this spell worked the target will know that,
  - If this spell fails the target NOT will know that.

WHAT THIS DOES NOT DO:

- Does NOT inform the target of any other information.
- Does NOT announce out loud the True Name,
  - If the True Name roll passes only the caster will know it.

STACK	AoE	DURATION		SAVE COL	CLASS GROUPS
99	1 Target	Permanent		RM 3 	DOK

Created by COPILOT

- Details:**
- This is one of a set of spells that cuts a living person off from the Arcane source.
  - Process: (Can be repeated as often as desired)
    - 3 Casters are required: ORIX, DOKOUR, and STRUMOS,
    - Orix identifies the Arcane connection (6 hours)
    - Dokour then disconnects the Arcane connection (6 Hours)
    - Strumos then heals the target to ensure no Arcane connections can be again (6 Hours)
    - Target rolls a Save, if they fail then the process worked.
    - There is no known way to recover from this spell.

- WHAT THIS DOES:**
- Does disconnect the target from all Arcane.
    - Target cannot acquire/use Spell/Skill pts again,
    - Target's disconnection from Arcane sets their RM Saves to RM:>05.
  - Does cause a great deal of pain to the target.
  - Nae'Em with target ends when the 3rd Arcane Removal spell ends.

- WHAT THIS DOES NOT DO:**
