	Min 0	Min 0	Min 0		

- WHAT THIS DOES:**
- Does cause 2d4 + ACU Bonus in damage
 - Does put upon the enemy an advancement of fragility (Sickness/Disease/Death),
 - no battle effects. Minor cold.
 - Beginning of day must Save again:
 - Pass: demote sickness (possibly to 'not sick')
 - Fail: promote sickness(possibly to 'Disease I')
 - Does allow for target to be affected with Sickness I,
 - but does not increment past one step within the fragility list during this battle.
 - Can't go beyond the given fragility during the battle,
 - May go beyond the given fragility during start of day from this point forward.

- WHAT THIS DOES NOT DO:**
- Does NOT poison the target.
 - Does NOT leave a permanent physical mark.

 - But the wound is healed at x2, after then damage has been done.
 - Note the use of a focus item may help with fragility Saves,
 - If it is the proper timing for the fragility Save,
 - Recommended to use this spell at start of day as needed for sickness or disease.

- WHAT THIS DOES:**
- Does follow a pattern of roll/calculate, damage, then heal:
 - First roll the dice and calculate full healing with enhancements,
 - Then apply as force damage to the target, if the target is dead the next steps fail.
 - Lastly, apply the full healing time two (x2) to the target.

- WHAT THIS DOES NOT DO:**
- Does NOT heal if death is caused before the healing kicks in.

10-Project Astral Image Within PMP

12-Circle of Expulsion of Ethereal Crtrs.

22-Living Statue

WHAT THIS DOES:

- Does require both the caster and the GM to roll Saves.
- Does set the Casters Save Column to 1.
- Does require the GM to determine the Save Column based on the nature of magic of the item.
- Does affect any spells that have a Duration that is NOT permanent.

Comparison process:

- Caster rolls a Save and determines how close they are to passing,
 - Caster might be xx amount OVER the needed Save or XX under the needed Save.
- GM must FIRST determine the Save Column based on the item.
 - GM then rolls a Save and determines how close they are to passing,
 - GM might be xx amount OVER the needed Save or XX under the needed Save.
- Casters and GM results are compared,
 - If the casters result is higher then item's magic has been dispelled,
 - If the GMs result is higher OR equal the magic stays as is.

WHAT THIS DOES NOT DO:

- Does NOT ensure the caster is safe from side effects or curses.

Created by COPILOT

- Details:**
- Arcane text is a written set of words that has been inhabited by living magic.
 - Arcane text is usually obvious in that each letter appears to be constantly moving.
 - the caster must connect with the living words on a personal level.
 - the nature of Arcane life is so foreign there never has been any true understanding of it.
 - Save vs interpretation. Each attempt requires a recasting of this spell.
 - 2nd attempt at 3rd column.
 - 3rd attempt at 4th column.

- WHAT THIS DOES:**
- Does attempt to put the caster in sync with the arcane text,
 - Caster rolls a Save to attempt to align themselves.
 - Passing the Save indicates a good connection and translation (reading) is possible.
 - Failing MAY cause the arcane to become unresponsive.
 - The Nae'Em connection lasts only as long as the spell.
 - Does require the caster to be writing the entire duration,
 - Thus writing materials are required as well.
 - Does allow review and understanding of the translation AFTER the duration is over.
 - Does create a Nae'Em connection to begin the rollout.
 - Does end the Nae'Em connection when the duration is over.

- WHAT THIS DOES NOT DO:**

Details:
Creates a 3 Sq Radius circle designated by ornated chalk designs.
Once spell starts outline fades to be unseen.

For timing purposes the circle is enacted on initiative 17:

Anybody wishing to jump randomly into the center (to have the random push)

WHAT THIS DOES:
DOES: -- work only on the pmp plane

Once spell starts any creature / item will immediately be teleported Outside:
 -- either to the nearest outside area or (if nearest is in question)
 -- or to a random location just outside of the circle.

Each teleport outside the AOE is done if the MGC:2 save passes.
 -- The caster rolls a MGC:2 save to ensure the teleport works.

Regardless of the distance between the caster and the circle the caster is always aware of the circle enacting (even if the MGC:2 save fails).

Spell continues to power the potential teleports until the duration ends.
