Advanced Issues	*require Skill -20 Save*	*Dmg Traps, Imbedded Locks, Slim keys.*
Complex Issues	*require Skill -50 Save (or more)*	*Hidden or large mechanicals.*

- Requires the Rogue to maintain concentration,
  - i.e. the caster must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

- Allows the Rogue to attempt to Disarm/Arm a mechanical,
  - Disarm is to disable, open, release, or unlock a device,
  - Goal is to close, set, or lock a device.

WHAT THIS SKILL DOES DO:

- Allows Rogue to inspect first, and get more detail from the GM IF not done already.
  - Does allow Rogue to use a Kit to better the Save (+20).

- Allows Rogue to attempt this 3 times with any specific mechanical,
  - Each effort is a separate SP cost.

Believed

Details:

GENERAL:

- GM rolls for the recipient if needed.

- Communication must be clear to the target,
  - must be able to understand the Rogues expressions (no jargon),
  - must be able to understand Rogues language.

- This skill works best from players to NPCs,
  - From NPCs to the players the GM likely will need to hide the rolls, then lie as needed.

- Requires the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Duration.
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:

- Rogues gain a Skill Save Roll bonus of +20.

- Allows the Rogue to attempt to convince a target they are trustworthy.
  - Target must pass the Save,
    - those who pass their save will likely decide to believe the Rogues story,
    - those who pass their save will likely decide to follow the Rogues suggestions.

- Allows the Rogue to present this skill to more than just 1 target,
  - In that case, the Rogue must identify the specific targets.

- Continues past the rogues interaction with the target,
  - Timing of 'duration' is based on nature of the lie.

Details:

GENERAL:

- Can alter the following within reasonable range:
  - Age, Gender, Weight, and Items worn to imply another class or profession.
  - Skin color (Not changing skin type)
  - Hair, Style, Color, and Facial Hair
  - Race change to a viable alternative. (NOT from Sprite to anything Dwarf or larger)

- The related Venerators spell of "Rogue's Right Place, Right Time" can help this skill.

- Requires the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:

- Requires a Save by the Rogue.
  - GM may need to make additional Saves based on new audiences.

- Results in a general look of another person, but not a specific person.

- Requires the disguised person to emmulate the style and mannerisms to be successful,
  - GM may need to make additional Saves based on the character playing the role.

- Requires "AoE Select Target" Enhancement to disguise another person.

Details:

GENERAL:
- Rogue creates and places a hidden non-damaging trigger type trap,
  - Requires a campfire, Misc Straps, Triggers, and Levers. (Available items to buy).

- If traps are very old the GM should roll to see if the trap is still active.

- Does require the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO: (Creating a Message Trap)
- This skill makes a trap within the 20 minuties,

- Requires Rogue to pass the Skill Save AFTER all parts have been assembled,
  - If the Save Passes the Trap has been set as expected.

- Requires the Rogue to describe the trigger and the message to be displayed.

WHAT THIS SKILL DOES NOT DO:
- Does NOT allow the Rogue to add new enhancements after the trap has been finished.

WHAT THE CREATION DOES:
- Use of this skill is also one of the basic requirements for a 'Message Trap',
  - Pre-created message traps are NOT made to slip into place and be hidden,
  - When a Non-Rogue class places this trap kit it is obvious and easily seen,

Details:

GENERAL:

- The **Climb Distance** is equal to the Rogue's walk,
  - Non-Rogues climb at 1/2 of their walk rate.

- **Concentration:** Requires the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Duration.
  - i.e. other activities that require concentration may not be done,
  - Spell will not continue when/if casters concentration is broken.

WHAT THIS SKILL DOES DO:

- **Climb Requirements**,
  - Must have both hands unecumbered, but should be wearing any non-metal armor,
  - Wearing metal armor will require a -20 to any Save roll,
  - Wearing metal armor may require a Save to check for noise.

- **Skill Saves** are based on the difficulty of situation.
  - Use of the Rogues Kit must be stated prior to a Save and gives an additional +20 if needed,
  - Obviously rough or smooth services will adjust the Save (+ or -)
  - The 'Save Roll +20' enhancement at 8th level helps with 20 added to the NON Skill roll)
  - Non-Rogues must use their Non-Skill Save with no adjustments to the Save roll.
  - Extra penalties may need to be assigned (for example with very heavy armor)

- The Climber is required to pass a Skill Save for every climb Distance attempt,
  - Passing the Save indicates the climber was able to climb save during that section,
  - Failing the Save indicates the climber will fall,

- **Falling damage** based on number of squares,
  - 2d8 damage rolled for every square.

WHAT THIS SKILL DOES NOT DO:

GENERAL:
- When using this skill no other attacks may be utilized. (Just 1)
- May incur AoO's from others during charge.

WHAT THIS SKILL DOES DO:
- Requires the attacker to move in a straight uninterrupted line to the target,
  - The attacker is not allowed to reach the target then pivot. It must be straight on,
  - It must be a minimum of 4 squares and a maximum of twice the movement allowance.
- Allows the attacker to gain +8 Initiative, +8 ToHIT and +8 Damage,

Success

Details:

GENERAL:

- Does require the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

- Rogue may want to use a distraction to help fool the audience,
  - Skilled Distraction can add to the Save roll +20,
  - Enhancement 'Save Roll +20' may also be used.

- *Examples:*
  - *The cups game is slight of hand,*
  - *Taking something while nobody notices,*
  - *Palming a card.*

WHAT THIS SKILL DOES DO:

- Allows the Rogue to use skillful deception to fool an audience by passing the Save,
  - If the Save is passes the Sleight of Hand was not noticed,
  - If the Save is failed the Sleight of Hand was noticed.

- Allows the Rogue to take OR place an item within a targets personal space,
  - Small items only (Not allowed to steal the pants they are wearing),
  - NOTE: There may be others around able to see this.

- Item (Target) must be within range/AOE,

- Reverse Sleight Of Hand is placing a small item.
  - Dey Raechio are given a Skill Save Roll bonus of +20.

WHAT THIS SKILL DOES NOT DO:

- Does NOT use magic, but may be used to seem like there is magic.

Details:

GENERAL:
- On Initiative Rogue can use an attack to force a melee weapon out of enemy hands.

WHAT THIS SKILL DOES DO:
- Requires the Rogue to swap an attack for each attempt.
  - Multiple attempts per round may be tried, but only 1 weapon will be affected per round.
  - Stack of 1 is in reference to the number of weapons disarmed in the round.
- Requires both the Rogue and the targeted enemy to roll a Skill Save,
  - If the Rogue wins the weapon is knocked out of the enemies hand (w/in reach),
  - If the enemy wins the weapon remains solidly in the enemies hand.
- When a weapon is dropped it can be picked up,
  - Picking up a weapon will take 1 attack,
  - Picking up a weapon will reduce AC by 4 (Front and back) for the round.
  - There is no save to pick up a weapon.

WHAT THIS SKILL DOES NOT DO:
- Does NOT affect any non-melee weapon.

- Item must be unattached to any other item/object.

- Item must weigh less that 50 lbs / 22 Kg.

WHAT THIS SKILL DOES DO:

- Allows the Rogue to determine if an item is worth more than 100 GP.
  - NOTE: If the item is worth more than 100 GP then it might be magical as well.

- Requires the Rogue to touch the item.

- Requires the Rogue to make a Skill Save,
  - Failing the Save means,
    - The Rogue might think they know and extremely over/under evaluate it or,
    - The Rogue might be aware they have no indication of value.
  - Passing the Save means,
    - The Rogue can clearly interpret the value as lower than 100 GP, but not a exact value.
    - The Rogue is able to give a very rough evaluation (Higher values are the vaguest),
    - The Rogue can tell if the item is quality enough for magic to be appliedl.
      - This does NOT mean it is magical, just that it is high quality enough.

Pass Through

Details:

GENERAL:

- Allows the character to slip past a person in an occupied square.
- Allows the move through some squares rather than around.

WHAT THIS SKILL DOES DO:

- The square must have only 1 person occupying it.
- If the square is used by a creature that occupies multiple squares, passage is not allowed.
- The occupant must actively allow the character to move through,
  - Any confusion/question/resistance stops the passing,
  - Even if the comment/question is friendly.
  - Fighting does NOT block they way.
- The Rogue must pass the Skill Save to pass through.
  - There is an Enhancement at 14th level (cost 8 pts) with a +20 bonus.
- The characher must finish (end up) in an un-occupied square.
  - They are not allowed to end the movement and share a square with another creature.

WHAT THIS SKILL DOES NOT DO:

- Does NOT allow movement beyond their standard movement limitations.

Evasion Is working

Details:

GENERAL:

- This skill is about avoiding an active pursuer.

- Used in an urban environment to lose an active tail which may take some time to do,
  - The rollout time is used to find ways to mislead any trackers,
  - The duration times is all about leaving the search area and pursuers behind,

- Players can improve the Save by role play and descriptions.

- Requires the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Rollout and Duration,
    - Rollout is the time it takes the Rogue to get far enough away
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:

- Skill & non-Skill Saves,
  - The Rogue using this skill rolls a Skill Save to evade the persuer(s),
    . . . compared to . . .
  - The non-Rogue persuers use the non-Skill Save in an attempt to catch up and find the Rogue,
  - Another Rogue persuing would use their Skill Save to try to catch up and find the Rogue,
  - NOTE: a Rogue and non-Rogue group would use the Skill Save +40 (more difficult).

- Results after rollout,
  - Either Rogue has avoided those that were following,
  - Or the Rogue 'thinks' they have avoided the pursuers,
  - Or the Rogue 'thinks' they have NOT avoided the pursuers,
  - or pursuers are noticably following.

WHAT THIS SKILL DOES NOT DO:

- Does NOT employ any magic,

STACK	**AoE**	**DURATION**		**SAVE**	**CLASS GROUPS**
99	Urban or Subtrrn	4 Hours		Skill	ROG-RAE

Path found

Details:

JUST 1

GENERAL:

- This requires the GM to roll a Save FOR the tracking Rogue,
  - If the Save is passed the Rogue is tracking properly,
  - If the Save fails (non-critically) the Rogue is aware they have lost the path,
  - If the Save critically fails the Rogue is NOT aware they are on the wrong path.

- Requires the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Duration.
  - i.e. other activities that require concentration may not be done.

- When using this skill only one attack may be utilized. (Just 1),
  - While tracking the Rogue can use 1 attack a round and still maintain tracking,
  - The moment this tracking skill is no longer used this limitation goes away,
  - Therefore, delaying battle by even 1 round to stop this skill is a good strategy.

WHAT THIS SKILL DOES DO:

- Requires the Rogue to use environmental clues to continue following the target,
  - Actions/Reactions of others around,
  - Unexplained messes,
  - Sounds of effort, (and more!)
  - Rogue rolls a Skill Save to find and follow the path,
    - The save may have a higher threshold if the path was obscured by a Rogue (+20).

- Allows the Rogue to continue using this skill for the duration,
  - Any break in the duration means the Rogue has lost the trail,
  - This includes the normal end of the skill, even if the skill is restarted,
  - The only way to extend the duration is by using an Enhancement.

- To continue after the skill has run it's duration, the Rogue will restart the skill freshly.

- Dey Raechio are hinder with a Skill Save Roll -20.

Life Detected

Details:

GENERAL:

- INTERRUPTION (Rollout is Instant)
  - This skill pauses all action when enacted before any opposing effect can be done.
    - Such effect might be damage taken or an attack made.
    - Player may time this to match an attack upon them.

- This skill works on a cursory inspection.
  - The Rogue is in a trance-like state and should show no motion.
  - The Rogue's limbs will stay in whatever position they are initially placed, unless moved.
  - Speed drops to 0.

- Requires the Rogue to maintain concentration,
  - i.e. the Rogue must stay awake throughout the Duration.
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:

- Rogue can stop Feign Death at any Round of their choosing past the 2nd round (12 secs),
  - When attempting to wake the Rogue rolls Initiative and wakes on that.
  - Feign Death can also end when Rogue is hit with AoO. (Immediately after the hit)

- Does present the image of the Rogue as dead.

- Skill Saving Throw,
  - Compares Rogues Skill save to person that is inspecting,
  - If inspector is a Rogue then GM uses the Skill Save,
  - If inspector is a non-Rogue then GM uses the non-Skill.

WHAT THIS SKILL DOES NOT DO:

- Does NOT inhibit the Rogue from taking damage,
  - The Rogues AC becomes 3. (Front:3 Back:3)
