STACK	**AoE**	**DURATION**		**SAVE**	**CLASS GROUPS**
99	2 x 2 Squares	1 Round / Tier	Target Sees	Resist (Skill/Non)	STM

Details:

GENERAL:
- Caster throw bright sparkling lights, attempting to partially blind those in the AoE.

WHAT THIS SKILL DOES DO:
- Creates enough sparks to interfere with accurate sight, a Save is required,
  - If the target is a caster they use the 'Skill' save,
  - others all use the 'non-Skill' Save.

- All with a failed Save have a -2 to their AC and ToHIT.

- Friends that are aware of this spell has been cast benefit with a +20 to their Save roll,
  - This does not apply to enemy,
  - This does not apply to party members that are not aware this will be cast on that round.

- Enhancements and the Focus Ring may adjust the Saving roll, Duration, or Range.

WHAT THIS SKILL DOES NOT DO:

Avoiding the trap

Details:

GENERAL:
- Caster controls a protective line around the AoE.

WHAT THIS SKILL DOES DO:
- Protects the border of an AoE,
  - The caster can permit creatures past (without harm) one at a time,
    - Same person crossing multiple times requires a conscious permission each time,
    - This activity will interrupt any ongoing concentrated effort.
- Cause damage & shock to targets passing in/out of the AOE w/o casters approval,
  - 1d3+3 electric and a mild electric shock.
- Allows the target to attempt a Save,
  - If the line is crossed, the trespasser triggers a loud obvious sound of electricity zapping,
    - Passing the Save indicates no no damage taken,
    - Failing the Save indicates the trespasser takes 1d3+3 damage.
- Allows casting in and out of the area.
- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

WHAT THIS SKILL DOES NOT DO:
- Does NOT move with the caster.
- Does combine with other area spells which overlap areas.

Bonds and Connections

Details:

GENERAL:

- Extracted ground water sprays up and can be captured in suitable vessels.
  - No extra rolls needed if there are receptacles available and used.

- Requires the Caster to maintain concentration,
  - i.e. the Caster must stay awake throughout the Rollout,
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:

- Draws on the available water/moisture in the area. (1/4 of a Mark),
  - Brings up water as long as the area is not barren of moisture.
  - Total amount of ground water in the same general area...
    - Temperate/Tropic Regions: 2 skins / Tier per spell (multiples: -1 skin per spell),
    - Arctic/Arid Regions: 2 skins per spell (multiples: -1 skins per spell),
    - Multiples: each repeated spell in same area reduces the effectiveness.

- Beneficial adjustments can be found in Enhancements and with a Focus item.

WHAT THIS SKILL DOES NOT DO:

- Does NOT draw water through non-porous material (rock, metal, etc).

- Does NOT continously draw water from the same spot,
  - If cast in the same spot again this spell could fail.
  - Each repeat adds 10% to failure chance (1d100 roll).

Details:

GENERAL:
- This is a delayed forced healing, triggered by taking damage,

- Requires the Caster to maintain concentration,
  - i.e. the Caster must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:
- After damage has been taken,
  - Recipient rolls a 2d8 and notes the result.
  - Next, the recipient applies the results as damage to themselves,
  - Lastly, the recipient applies twice the result as healing to themselves,
  - The effect is the character taking damage then being healed up more than the damage.

- This spell can be cast multiple times,
  - Up to the stacking limit, (May be cast multiple times on multiple creatures).

- Only 1 of this spell can remain on any single creature,
  - No creature can have more than one, even if done by multiple casters.

- beneficial adjustments can be found in Enhancements.

WHAT THIS SKILL DOES NOT DO:
- Does NOT allow the recipient to choose not to use it,
  - Once the spell is cast (or Draught used) the next damage triggers the healing.

- Does NOT allow multiples of this spell to be used on a single creature, 1 per creature.

WHAT THE CREATION DOES:

Tired, but aware

Details:

GENERAL:

- Can push an inactive person into a light sleep.

- Sleep can still be interrupted by normal external, mundane means.
  - Examples include loud noises, moving the Target, etc.
  - Extra saves may be needed based on situation.

- If a Target falls asleep due to this spell the Target cannot wake self.

- Requires the Caster to maintain concentration,
  - i.e. the Caster must stay awake throughout the Rollout,
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:

- Gives complete rest to the Target if they continue sleep for 6+ hours,
  - If the target is voluntary the duration is 6-7 hours if uninterrupted (complete rest).

- Allows the Target to roll a Save Roll,
  - Moderately active targets get a bonus of +40 to their Save roll,
  - Very active targets get a bonus of +80 to their Save roll.
    - Failure means Target falls into a light sleep for 1d6 hours,
    - Success means Target is very tired but awake,
      - However, a success on the roll means subsequent Light Nap spells have a Save Roll -20.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring,
  - Specifically, 'Subtle Casting' (at 6th level, cost of 4 sp),
    - This makes the casting look like normal movements without casting lights.

WHAT THIS SKILL DOES NOT DO:

- Does NOT have any effect on an active person.

- Does NOT stop an affected Target from being woken up.

Details:

GENERAL:

- *About the Astral Creature:*
  - *if attacked it will attack in random directions since it does not understand.*
  - *its battle stats: AC:17/15, Attk:x0x1, Dmg:1d8, Move:12, HP:25, 2 Marks/Day.*
  - *can continuously canter and have short bursts of speed, but no running.*
  - *it is a quadra-pedal low-intelligent beast of burden with a horse-like way about it.*
  - *as a beast of burden it will be docile unless provoked/surprised.*
  - *it does not understand the PMP and senses no danger/friendship except with the caster.*
  - *it will eat anything that is edible for the caster.*

WHAT THIS SKILL DOES DO:

- Summons a healthy astral beast of burden,
  - The creature communicates through an Nae'Em bond with limited vocabulary (1 word @ a time),
  - The creature will be adapted to all areas of the PMP and Astral plane,
  - It will travel up to 3 marks a day with a few minor bursts of speed, but no running.

- Works well with some circles of power: Animal Protection, Containment, etc…
  - but not with expulsion type containment or spells.

- Allows up to 3 people to ride it, but one of the people MUST be the caster.
  - Other sequentail castings could be used as pack animals,
    - but won't carry living creatures without the caster.
    - Doesn't sense danger or kindness with any but the caster, unless hurt.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

WHAT THIS SKILL DOES NOT DO:

- Does NOT ensure commoners will react well to such a strange sight.

COST	RANGE	ROLL OUT		COLLECTION	OUTCOME
4 pts	Self	5 Minutes		Movement-Travel	Magical
STACK	**AoE**	**DURATION**		**SAVE**	**CLASS GROUPS**
1	Caster	8 Hours		None	STM

Details:

GENERAL:
- Caster increases their speed to that of a horses normal canter.

- Recasting this same spell a second time while under the effect of the spell…
  - resets the duration timer and does NOT double the effect.

WHAT THIS SKILL DOES DO:
- This spell can only be cast within the Astral or PMP.

- Allows the caster to move 2 times the usual distance
  - Allows the caster to navigate around normal avoidable obstacles,
  - Allows the caster to normally carry inventory (Pack, Class carry, and on body),
    - If Inventory is overloaded (indicated in char sheet) then this speed is affected.

- Maintains the casters vulnerability to attacks,
  - If caster travels alone surprise is very likely.

WHAT THIS SKILL DOES NOT DO:
- Does NOT affect anyone other than the caster.
  - Does NOT affect a beast of burden.
  - Does NOT affect other creatures.

- Does NOT allow the caster to attack/cast spells while traveling.

- Does NOT allow the Strumos to travel at double time in conjunction with the "Strumos Run"

By COPILOT

Details:

GENERAL:

- *Spell credit: This was created by a player character, Arlo.*

- Caster creates a connection to an Astral Vae'Em location.
  - This is a Vae'Em that is created from the PMP but is in the Astral plane,
  - If the caster is in the Astral plane they can teleport to it using the Vae'Em.

WHAT THIS SKILL DOES DO:

- Opens/closes a pocket dimension in the Astral plane where the caster's items are stored.
  - Allows the caster to withdraw and deposit up to 10 small or medium items within.

  - Only way to find the storage area in the Astral plane is to track a magical item,
    - If no magic item is in the storage area then no tracking/finding is possible.

- Item limitations:
  - Size = Small to medium (Short sword or smaller),
  - If left in the area, Magic and crystals may not be there when it is opened again,
    - Magic and crystals often draw Astral creatures. Some may be thieves.
  - Only non-living things can be kept in the storage area.

- Magical items require a Non-Skill Save to retrieve them,
  - If there are no magical items within the Storage area then a Save is not needed.
  - Astral creatures may be drawn to items that have a deowmer on them,
    - A failed Non-Skill comparison Save indicates the stash was found by an Astral creature,
    - A sucessful Non-Skill comparison Save means the items are undisturbed.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

WHAT THIS SKILL DOES NOT DO:

- Does NOT require a Save if there are no magical items or crystals within the Storage area.

Details:

GENERAL:
- All Class Power attacks have the possibility of being drawn into a Duel.
  - This Duel must be called out **AFTER** this 'Electric Class Power Attack' is mentioned, and **BEFORE** the damage is rolled.
  - The GM may have to make a call if the Class Power Attack proceeds too quickly.

WHAT THIS SKILL DOES DO:
- This spell targets the enemy without a ToHIT rolled.

- This is a direct stream of Electricity,
  - Must have a direct and uninterrupted path to the target,
  - Cannot be lobbed,
  - The target is allowed to attempt a Save for 1/2 damage,

- Delivers 4d10 + ACU points of damage without a ToHit.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

- This has a counter spell called 'Class Power Attack Duel',
  - Which can force this caster into an Electric to Electric duel.

WHAT THIS SKILL DOES NOT DO:
- Does NOT apply any mundane damage,
  - Class Power Attacks do not cause incidental damage to non-target items/areas.

Bonds and Connections

- No Nae'Em connection.

COST	RANGE	ROLL OUT	COLLECTION	OUTCOME
12 pts	Touch	1 Minute	Defense-Barriers	Magical

STACK	AoE	DURATION	SAVE	CLASS GROUPS
1	1x1x2 Sqs	8 Hours	None	STM

Details:

GENERAL:

- The interior design is up to the caster to decide.

- The shed is fully stocked with bedding and firewood, but not food.

- Offers a view of the Astral Plane from its windows,
  - The caster is able to tell what time it is outside,
  - Windows show views of the Astral plane, not the PMP.

- Astral Shed is on the border of the Astral and PMP planes,
  - Space within the shed is PMP space and does not follow Astral rules,
  - Allows creatures of both planes to see the shed,
  - But no creatures of either plane can enter the shed,
    - except by permission of the caster and through the only door.

WHAT THIS SKILL DOES DO:

- Allows up to 8 inhabitants of the shed to enter inside at a time,
  - Contains 8 beds.
  - Allows the inhabitants to bring food and drink inside.
  - Gives all the rest bonuses.

- Allows the caster to know exactly how much time has passed in PMP.

- Continues if the caster is out cold, asleep, etc…

- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

WHAT THIS SKILL DOES NOT DO:

- Does NOT allow the caster to take any items within outside.

- Does NOT allow any harmful effects from Astral Plane to enter the shed,

Tired, but awake.

Details:

GENERAL:

- Pushes a person to sleep as long as they are not in constant movement.
  - If a Target falls asleep due to this spell the Target cannot wake self.

- Sleep cannot be interrupted by normal external, mundane means.
  - Extra saves may be needed based on situation.

WHAT THIS SKILL DOES DO:

- Gives complete rest to the Target if they continue sleep for 6+ hours,
  - If the target is voluntary the duration is 8-10 hours of uninterrupted (complete rest).

- Allows the Target to roll a Save Roll,
  - Very active targets are not put to sleep, though they might feel a bit tired.
    - Failure means Target falls into a light sleep for 2d6 hours,
    - Success means Target is very tired but awake,
      - However, a success on the roll means subsequent Deep Doze spells have a Save Roll -40.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring,
  - Specifically, 'Subtle Casting' (at 6th level, cost of 4 sp),
    - This makes the spell casting look like normal movements without casting lights,
    - This does NOT make the suddenly tiredness look 'normal'.

WHAT THIS SKILL DOES NOT DO:

- Does NOT have any effect on a very active person.

- Does NOT stop an affected Target from being woken up.

Details:

GENERAL:
- Initially creates a visible 3 Sq radius perimeter,
  - After Rollout the perimeter is no longer visible.

- Suggested usage is prior to casting a summoning spell.

- Requires the Caster to maintain concentration,
  - i.e. the Caster must stay awake throughout the Rollout.
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:
- Inhibits creatures from leaving the circle, except for the caster
  - Creatures attempting to exit the perimeter must roll a Save,
    - On a successful save, the creature may leave,
    - On a failed save, the creature remains contained.

- Continues working (after the rollout),
  - even if the caster is unconscious, dead, or out of range, etc.

Details:

GENERAL:
- Item(s) are drawn to the caster from a Vae'Em.
- Since the items are created by the caster and the location is a Vae'Em to the caster the spell is a Tae'Em spell. Tae'Em is a connection to a thing or object.

WHAT THIS SKILL DOES DO:
- Requires the summoned item,
  - To be on the same PMP as the caster.
  - To be located at a previously designated Vae'Em,
  - To be previously set as a Tae'Em by the caster.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

Expulsion

Details:

GENERAL:

- Creates a 3 Sq Radius circle surrounded by ornate chalk designs.
  - Once spell starts, outline fades to be unseen.
  - Once spell starts, any Astral creature / item will teleported to the Astral plane,
    - To a random location in the Astral plane

- Each teleport back to the Astral plane is completed with a caster's Save.

- Regardless of the distance between the caster and the circle
  - the caster is always aware of the circle enacting (even if the Save fails).

- Spell continues to power the potentional teleports until the duration ends.

- Maximum number of normal sized creatures that can be in the AoE is 9.

WHAT THIS SKILL DOES DO:

- Does banish Astral creatures and items to their plane,
  - The creatures may not return as long as this circle remains,
  - The spell can be recast at the same spot before end of duration to keep it going.

- Does allow the caster to move out of casting range after circle has been created.

- Beneficial adjustments can be found in Enhancements and with a Focus Ring.

WHAT THIS SKILL DOES NOT DO:

Details:

GENERAL:

- Process: (Can be repeated as often as desired)
  - 3 Casters are required: ORIX, DOKOUR, and STRUMOS,
  - Orix identifies the Arcane connection (6 hours) and break of 10 minutes max,
  - Dokour then disconnects the Arcane connection (6 Hours) and break of 10 minutes max,
  - Strumos then heals the Arcane connection of the Target class (6 Hours).
  - Target rolls a Save after each casting, needs only 1 fail to break the process.
  - There is no known way to recover the lost points.

- Does disconnect the target from all Arcane activities of that class,
  - Afterwards the target can make no further advancement within that previous class.

- Requires the Caster to maintain concentration,
  - i.e. the Caster must stay awake throughout the Rollout,
  - i.e. other activities that require concentration may not be done.

WHAT THIS SKILL DOES DO:
